

## **Signal Maintainer - System Signal Construction**

The NYS&W has an immediate opening for a **Signal Maintainer on the System Signal Construction Crew**. Signal Maintainers are involved in the construction and maintenance of railroad signal equipment. This job requires outside work, in all weather conditions, with travel required in NY, PA and NJ. You will assist in the installation, repair and maintenance of various railroad signals and grade crossing warning device equipment. Preference is given to candidates who have an electronics/electrical background and/or educational training in electronics.

### **Primary Activities and Responsibilities**

- Ensure compliance with all railroad rules and regulations for safety, operations and the Federal Railroad Administration (FRA)
- Inspect, test, repair and maintain communication/signal and electrical equipment
- Lubricate moving parts on mechanical equipment such as switch machines, gate motors and circuit controllers
- Repair and paint signal equipment
- Respond to trouble calls during and outside of normal working hours (weekends included)

### **Physical Requirements**

- Heavy Work, lifting up to 75 pounds occasionally
- Stoop/bend/kneel/crouch/balance/climb on an occasional basis
- Demonstrate auditory and visual acuity/tracking/inspection
- Climb ladders and poles up to at least 30 feet to make repairs, tests and installations
- Walking over uneven terrain and getting on and off equipment

### **Minimum Qualifications**

- High School diploma/GED
- 18 years of age or older
- Valid Driver's License
- Experience in interpreting schematics and diagrams

### **Preferred Qualifications**

- Commercial Drivers License (CDL)
- One year outside work experience (construction labor, farming, landscaping, etc.)
- One year experience using Volt / Ohm meters
- One year experience interpreting circuit schematics
- One year training or experience in electronics, electrical, or electromechanical

### **Safety Commitment**

- This is a safety sensitive position. The candidate selected for this position must successfully complete a full physical including a drug test. Passing results must be received prior to start date in new position. All candidates' safety records will be reviewed and considered when evaluating the candidate pool.

Offering a competitive benefit package – medical, dental, paid vacation and 401K. Starting pay is \$24.57 to \$26.54 per hour based on experience. If interested, please send resume to [humanresources@nysw.com](mailto:humanresources@nysw.com) or fax 607-547-8768.
